

## Why do Libraries need friends?

Friends groups are created and run by library lovers. Libraries need Friends as volunteers, advocates, fundraisers, program sponsors, and event hosts.

## Mission Statement

The Friends of the Jefferson Iowa Public Library will advocate for the library and support programs and purchases that promote literacy in our community.

## About Us:

The Friends of the Jefferson Public Library was founded in 1993. We are an all-volunteer nonprofit 501(c)3 organization.
